09/02/2026 – 13/02/2026 Zadar, Croatia

EU-CONEXUS MICRO-CREDENTIAL: INTRODUCTION TO FILM LITERACY AND FILMMAKING University of zadar

- Performed shooting and editing of films at the basic level
- Demonstrated an understanding of the basic principles, methods and technologies used in the filmmaking

Field of study Audio-visual techniques and media production | **Final grade** 10 | **Type of credits** ECTS | **Number of credits** 1

09/02/2026 – 13/02/2026 Zadar, Croatia

EU-CONEXUS MICRO-CREDENTIAL: UNDERWATER CULTURAL HERITAGE AS A TOURIST RESOURCE University of zadar

- Classified underwater cultural heritage, and its potential for tourist presentation.
- Identified underwater cultural heritage sites for potential tourist presentation

Field of study Travel, tourism and leisure | **Final grade** 10 | **Type of credits** ECTS | **Number of credits** 1

06/04/2026 – 10/04/2026 Bucharest, Romania

ERASMUS+ BLENDED INTENSIVE PROGRAMME IN BUCHAREST- APPLIED PHYSICS IN CONSTRUCTION Technical University of Civil Engineering Bucharest (UTCB) with the EU-CONEXUS Alliance

- Participated in an intensive international program centered on sustainable engineering and applied physics in construction.
- Engaged in practical laboratory challenges, including creating microbial fuel cells to measure bio-generation and building "green walls" to evaluate thermal insulation performance.
- Conducted field study visits to Passive Houses and the Extreme Light Infrastructure Nuclear Physics (ELI-NP) facility to observe sustainable technology and laser physics applications.
- Collaborated in multinational teams to develop, prepare, and present a final group project on eco-physics solutions.

Final grade 10 | **Type of credits** ECTS | **Number of credits** 3

16/03/2026 – 27/03/2026 Zielona Góra, Poland

ERASMUS + BLENDED INTENSIVE PROGRAM IN ZIELONA GORA - INTERFERENCE PATTERNS - SCIENCE AND CULTURE IN DIALOGUE University of Zielona Góra3

- Completed an intensive interdisciplinary program focused on the intersection of science, culture, and society.
- Participated in collaborative workshops ("A Knowledge in a World Beyond Borders") emphasizing the popularization of science and cross-border knowledge sharing.
- Attended academic lectures on data and power in the age of AI, active galaxies, and media literacy

Final grade 10 | Type of credits ECTS | Number of credits 3

10/11/2025 – 14/11/2025 Riga, Latvia

ERASMUS + BLENDED INTENSIVE PROGRAM IN RIGA - BUSINESS LAUNCH LAB College of Business Administration

- Acquired practical skills in entrepreneurship and innovation, utilizing AI tools to develop and validate comprehensive business models.
- Formulated strategic business plans and refined professional pitching techniques, culminating in a market-ready business concept.
- Completed an intensive blended programme on practical leadership, combining theoretical online learning with hands-on application in a collaborative environment

Field of study Business, administration and law | **Final grade 10 | Type of credits ECTS | Number of credits 3**

26/09/2025 – 27/09/2025 Klaipeda , Lithuania

PORTATHON 2025 Klaipeda Science and Technology Park

- Developed a solution to improve safety and resilience in offshore wind operations during Portathon 2025 with IGNITIS Renewables.
- Collaborated with a multidisciplinary team to design innovative risk-mitigation concepts for renewable energy systems.

16/04/2025 Tbilisi, Georgia

YOUTH CLIMATE FORUM UNDP & Ministry of Environmental Protection and Agriculture

- Contributed to national youth consultations on Georgia's updated climate commitments (NDC 3.0), supporting the development of the country's enhanced pledge under the Paris Agreement.
- Engaged with over 50 young climate advocates in shaping policy recommendations through collaborative dialogue and strategic input.

26/10/2024 – 29/10/2024 Tbilisi, Georgia

ERASMUS+ EXCHANGE PROGRAM: GREEN FOR YOUTH Youth Center of Georgia and love and care for people (Ireland)

- engages with 15 young representatives from Ireland
- discussed important ecological issues
- made videos and information posters about climate change and its effects
- thought of solutions to climate change mitigation at different societal levels

26/09/2024 – 30/09/2024 Tbilisi, Georgia

MODEL UNITED NATIONS MENTOR USAID UNITY THROUGH DIVERSITY PROGRAM YOUTH CENTRE OF BATUMI

- Completed a Training of Trainers (TOT) for Model United Nations, mastering advanced facilitation and mentorship techniques to guide peers in MUN simulations.
- Designed and led mock sessions to train participants in diplomacy, structured debates, and resolution drafting.

05/08/2024 – 11/08/2024 Tsinandali, Georgia

UN SDG SUMMER SCHOOL 2024 USAID UNITY THROUGH DIVERSITY PROGRAM YOUTH CENTRE OF BATUMI

- Attended the UN SDG Summer School, collaborating on projects to address Sustainable Development Goals (SDGs) specifically the 13 the goal concerning climate change mitigation, focusing on innovation and youth leadership.
- Contributed to brainstorming sessions and case studies aimed at community problem-solving.

27/07/2024 – 28/07/2024 BATUMI

TRAINING IN ARDUINO AND ENTREPRENEURIAL SKILL. TECHPARK BATUMI and USAID UNITY THROUGH DIVERSITY PROGRAM YOUTH CENTER OF TELAVI

- Had an introductory course to Arduino and learned the basics of operating the system
- used the skills and knowledge from the Arduino course to create a pitch for a business in a day

23/06/2024 – 02/07/2024 Bakuriani, Georgia

ECO AMBASSADORS TRAINING CAMP UNDP Georgia and the ministry of Environmental protection and agriculture of Georgia

- Completed Eco Ambassador Training, learning advanced techniques in environmental conservation and sustainable resource management.
- Organized community workshops, educating peers on ecological practices through interactive activities and presentations.
- Collaborated with UNDP Georgia, contributing to initiatives aimed at promoting environmental awareness and advocacy at the local level.
